- Lowest supplies use per card

KEY FEATURES & BENEFITS

Superior quality, proven performance

- Card print quality emulates your on-screen colors for vibrant color and sharpness
- Print resolution of up to 300 x 1200 dpi allows you to print fine details of images and small text
- Printer driver automatically adjusts settings to match ribbon type for maximum image quality
- Ribbons provide automated color and image density adjustment, ribbon usage tracking, and ribbon conservation

Certified Supplies for Sigma DS4 Instant Financial Issuance Card Printer

Convenient, cost-effective operation

- Built-in technology conserves ribbon usage, reducing waste and saving you money:
    - Panel ribbons save one complete panel set during each initialization
    - Monochrome ribbons use only material length needed for the specific card design for significant yield savings

- Convenient ribbon types for use in simplex or duplex applications

- Automatically notifies you when supply is low and it's time for ribbon replacement

- Prefilled panel ribbon cassettes make switching ribbons easy – just drop in and go

- Each ribbon cassette comes with an isopropanol cleaning card and adhesive cleaning roller for easy cleaning between each cassette replacement

Eco-friendly

In support of fostering a sustainable future, Entrust maintains compliance with global environmental regulations while striving to reduce our impact on the environment.

- Ribbon cores are made with a biodegradable material

- Packaging is biodegradable, made from 100% recycled material, and printed with soy inks

- Entrust is an ISO 14001 Certified company
